## COMMENTS FROM THE TOWN MANAGER'S OFFICE

It is easier to make comments and publish information on subjects that relate to improvement or other benefits that accrue to the town, than it is to write about reverses, losses, or mistaken decisions. This time it might be more appropriately termed a reverse. A leak developed in the West Bethel Water System on or about April 21. The leak was of sufficient size that at least 10,000 gallons of water was disappearing into the ground daily. The Supt. of the South Paris Water Company was employed to check the area where the leak was suspected with a Geophone, but could not detect any leak. Due to the type of soil no water appeared on the surface of the ground to indicate the trouble spot. It was necessary to make various types of tests and checks and finally engage a backhoe to excavate various sections for examination. The leak was finally found on May 8th where the Ferry Road line connects to the main near Louis Paul's store. The regrettable but unavoidable part has been the expense involved.

Requests for sealed bids from suppliers of asphalt have been made. The bids will be opened at the May 24th board meeting.

J. W. Virehow of Rockland who has done the aerial spraying for insect control for the past several years has been engaged again this year at the same price, \$2 per acre. The spraying is expected to be done the last days of May or first days of June, depending on weather conditions.

Sincerely,  
Harold L. Bean

## RED CROSS MEETING TO BE HELD MAY 17

The annual meeting of the Bethel Branch of the Red Cross will be held at 7:30 P. M. on Wednesday, May 17th, at the home of Mrs. Kimball Ames for the election of officers and to hear reports. All contributing members are welcome.

Through the much appreciated efforts of our faithful solicitors the drive has resulted in \$282.40 collected. Although this is considerably below Bethel's quota the usual swimming program will begin June 26th, being conducted by Miss Beverly Blake, a certificate holder from Springfield College and a graduate of the Tova Aquatic School in Brookline, N. H. Mrs. E. G. Blake has kindly offered to organize the Beach Patrol and Mrs. Mary Paine will again receive applications being distributed through the schools. Class schedules will be about as last year.

Transportation remains an unsolved problem. This is not the function or responsibility of the Red Cross. Heretofore suitable volunteer bus drivers have been available. This is not the case now. Accordingly parents will have to arrange their own transportation individually or in pools or with assistance of some organization.

CLEAN UP time for the Middle Intervale Cemetery is Saturday a. m. May 20th. If rainy, it is the following Saturday.

## W. Bethel 'Beehive' Fire 45 Years Ago

WEST BETHEL "BEE HIVE" which burned May 11, 1916.

West Bethel's one-time Free Will Baptist Church, which later became the tenement known as the "bee hive," was burned 45 years ago today. The building caught fire from a brush fire which was kindled the day before and was believed to be out. In the high wind burning shingles were carried long distances. The mill and dry sheds across the railroad tracks caught fire several times but volunteers quickly extinguished the blaze.

Embers were blown to the woods a quarter of a mile away where the fire traveled rapidly and Bethel village was believed to be threatened. It

was finally cornered in a snow bank on the slopes of Sparrowhawk Mountain. In the meantime hose was laid in the village toward Grover Hill and additional hose and men came from South Paris.

The West Bethel Free Will Baptist Society was organized May 23, 1818. The church was built in 1844 and dedicated Jan. 1, 1845. Regular services were held until 1869.

The building was bought by Alpheus S. Bean in March 1899 and alterations made to provide homes for his workmen. At the time of the fire it was owned by the Merrill, Springer Company and was occupied.

## TODAY'S Meditation

THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Thursday, May 11

Read Ephesians 3:14-19  
I bow my knees unto the Father of our Lord Jesus Christ, of whom the whole family in heaven and earth is named. (Ephesians 3:14, 15.)

One day I heard of a school where the children were extremely unruly. The teacher was at her wits' end as to how she might bring a semblance of order out of the chaos. Suddenly, a child's clear voice rose above the hub-bub: "Is this the way for a Christian family to act?"

The other children were taken by surprise. They looked wonderingly at the small girl who asked a question she had no doubt heard at home. They stopped their quarrels, their giggling, their teasing. They began to conduct themselves in a different manner because of this child whose family worshiped together in the home every day. This girl had parents who read the Bible and prayed. The child had an altar at her mother's knee.

PRAYER: Dear God, we thank Thee for Thy promise that where two or three are gathered together in Thy name Thou art in their midst. Thou dost love families and hast put the solitary in families. Strengthen our faith as we worship in our homes and know that Thou art here with us in familiar surroundings. We thank Thee in Jesus' name. Amen.

Thought For The Day  
A home is a gift of God and a fitting place for worshipping Him.

NEW BOOKS AT THE  
BETHEL LIBRARY

"The Lady and the Giant," by Clarence Buddington Keland. Storm Linders left St. Louis Medical School for Bayard, sure that he was going to be stuck "in the sticks" for a long three months. But he found things quite different from his expectations.

"Three Score and Ten," by Walter Allen. Billy Ashted tells of his lifetime, his family and friends with warmth, humor and truth.

"The Undiscovered Country," by Jay and Audrey Walz. This is the strange love story of America's first Arctic explorer, Dr. Ellsha Kent Kane.

"American Years," by Harold Sinclair. The panorama of American growth, through the story of a frontier town and its founders.

"The Trouble with Lazy Ethel," by Ernest K. Gann. This story is happening all over the world, wherever expanding American influence has deposited its representatives.

"The Seventeen Widows of Sans Souci," by Charlotte Armstrong. This is a sympathetic novel, with humor, often with irony, but they are always people.

"Through Troubled Waters," by William H. Armstrong (a gift). This simple, poignantly told story describes how a father and three small children found their way through the troubled waters of death to an understanding acceptance made possible by faith.

To my past pulpwood producers and anyone whom it may concern:

As most of you know by now, I am no longer an exclusive agent for Brown Company in this area. I wish to make it very clear that starting June 12 the Brown Company gate will be open to anyone and everyone.

By request from many of my past producers I have decided to continue to purchase pulpwood as in the past. I wish to thank you one and all for your past patronage and present concern.

For prices or information please feel free to call me at any time.

## NEWEST NEATEST way to paint!

Here, from Du Pont research, is a wonderful new way to paint! New Du Pont "Lucite" Wall Paint gives walls and ceilings a rich, flat finish... with none of the nuisance you've known in the past... with less time getting ready and cleaning up afterwards! Easy-to-use "Lucite" Wall Paint dries in 30 minutes, will give years of service and take repeated washing!

### No stirring!

Just open the can and start painting. Spreads amazingly easily with brush or roller.

### Doesn't drip or spatter

like ordinary paint. Creamy-thick "Lucite" Wall Paint stays on walls and ceilings, off clothes and hands.
